Dearest Dave and Martha,

I just can't begin to tell you how much you two, no three, mean to me. You make my life more than just bearable without Ken, but very pleasant. You are ALWAYS there for me! I am not speaking of just holidays and such, I mean every day of my life. No problem arises that you are not there. No occasion occurs that you do not include me. No crises ensues that you are not there to hold my hand. Your companionship, your understanding, and above all, your constant love can't be put into mere words. I just want you to know that I DO NOT TAKE YOU BOTH FOR GRANTED. I do not expect all you so freely give, but I DO APPRECIATE IT! THANK YOU, THANK YOU, THANK YOU! for just being you. You both have a very special place in my heart.

With all my love,

Mom
